The San Diego Unified School District (“District”) and the San Diego Education Association (“SDEA”) bargaining unit, on behalf of Education Specialists: Mild/Moderate and Education Specialists: Moderate/Severe (“Grievant”), collectively referred to as the “Parties,” have reached this Grievance Settlement Agreement (“Agreement”) regarding caseload overages in the 2024-2025 school year.

The Parties desire to resolve this grievance amicably at the lowest level and to avoid the costs associated with arbitration. Accordingly, the Parties mutually agree to resolve the dispute, without reaching the merits of the grievance, with the terms set forth below:

1. Documented Caseload Overages in the 2023-2024 School Year
 - 1.1. An Education Specialist: Mild/Moderate or Educational Specialist: Moderate/Severe shall receive a monthly stipend using the following criteria:
 - 1.1.1. The Education Specialist was assigned one or more students over the contractual caseload as defined in Section 29.1.2.1 of the Parties’ CBA for more than 10 consecutive days during the 2023-24 School Year; and
 - 1.1.2. The site had balanced students between case managers; and
 - 1.1.3. The caseload overage was not remedied through fall staffing shifts; and
 - 1.1.4. The site had Education Specialist vacancies and/or Education Specialists on a leave of absence that impacted caseload assignments.
 - 1.2. Education Specialists that meet the criteria outlined in Section 1.1 shall be compensated with one (1) monthly stipend per month for the 2023-2024 School Year as follows:
 - 1.2.1. Education Specialist: Mild/Moderate shall receive a monthly stipend of five hundred dollars (\$500) for caseloads of twenty-one (21) to twenty-four (24) assigned students, a monthly stipend of one thousand dollars (\$1,000) for caseloads of twenty-five (25) to twenty-eight (28) assigned students, a monthly stipend of one thousand, five hundred dollars (\$1,500) for caseloads of twenty-nine (29) to thirty-two (32) assigned students, or a monthly stipend of two thousand dollars (\$2,000) for caseloads over thirty-two (32) assigned students.

 - 1.2.3. Educational Specialists shall be compensated one (1) monthly stipend per month based on the week(s) within the month with the highest reported caseload overage.

- 1.2.4. Stipends shall be issued for the months of September 2023 through June 2024.
- 1.3. Education Specialists identified as meeting the criteria in Section 1.1 and 1.2 above are listed in Exhibit A. An Education Specialist who is not included in Exhibit A (or believes the information listed in Exhibit A is incorrect), but who can demonstrate they meet the above criteria, shall provide evidence to the District by January 31, 2025 via the 2023-2024 Caseload Grievance Appeal Form.
 - 1.3.1. In consultation with SDEA, if the District finds the evidence satisfactory, the District will notify the educator and process any compensation accordingly.
 - 1.3.2. In consultation with SDEA, if the District finds the evidence unsatisfactory, the District will notify the educator via email. This email shall include the rationale for the appeal denial.
2. Process for Addressing Caseload Overages in the 2024-2025 School Year
 - 2.1. The Parties agree to implement the following process to remedy caseload overages that occur due to the reassignment of students from a leave of absence or vacancy in the 2024-2025 school year:
 - 2.1.1. Education Specialist: Mild/Moderate. When an Education Specialist: Mild/Moderate is on a leave of absence, or when a site has an Education Specialist: Mild/Moderate vacancy, the site shall:
 - 2.1.1.1. Request IEP management facilitation from the designated Special Education Area Program Manager; and
 - 2.1.1.2. Request a Visiting Teacher or Retired Visiting Teacher, as appropriate, through the SAMS system in order to provide Specialized Academic Instruction until the vacancy is filled and/or the educator on leave of absence returns.
 - 2.1.1.3. When an Education Specialist: Mild/Moderate is the case manager for twenty-one (21) or more students for more than ten (10) consecutive work days and the site has balanced students between case managers, the educator shall receive a stipend as defined in Section 1.2.1 above. This payment will continue unless and until the case manager's caseload is returned to twenty (20) or below. Stipends shall be issued for the months of September 2024 through May 2025.
 - 2.1.2. Education Specialist: Moderate/Severe: When an Education Specialist: Moderate/Severe is on a leave of absence, or when a site has an Education Specialist: Moderate/Severe vacancy, the site shall:
 - 2.1.2.1. Request IEP management facilitation from the designated Special Education Area Program Manager; and
 - 2.1.2.2. Request a Visiting Teacher or Retired Visiting Teacher, as appropriate, through the SAMS system in order to provide Specialized Academic Instruction until the vacancy is filled and/or the educator on leave of absence returns.
 - 2.1.2.3. When an Education Specialist: Mild/Moderate Special Day or Education Specialist: Moderate/Severe is the case manager for thirteen (13) or more students for more than ten (10) consecutive work days and the site has balanced students between case managers, the educator shall receive a stipend as defined in Section 1.2.2 above. This payment will continue unless and until the case manager's caseload is returned to twelve (12) or below. Stipends shall be issued for the months of September 2024 through May 2025.
 - 2.2. Overages that occur for a reason other than a leave of absence or vacancy shall be remedied at the site level.
 - 2.2.1. If, during the 2024-2025 academic year, a site has sufficient Education Specialist

staffing to maintain all Education Specialists at their respective caseloads, but Education Specialists willingly decide to form alternative caseloads to better serve the students, even if it means exceeding the maximum caseload cap established in the contract, then such Education Specialists would be precluded from the remedies outlined in Section 2.1 above, and may be precluded from a grievance regarding caseload overages. Any concerns arising from such alternative caseloads should be addressed at the site level.

- 2.3. The Joint Special Education Committee outlined in Section 29.2 of the Parties' CBA shall review, discuss, and problem solve the process outlined in this Section throughout the 2024-2025 school year.
3. This Agreement settles G-FY23-007 in their entirety, and any current or future demand for arbitration is irrevocably waived as of the date of this fully executed Agreement.
4. This Agreement is non-precedential and only addresses the allegations and facts of this Grievance.
5. This Agreement is not, and shall not be construed as an admission of liability, fault, or wrongdoing of any kind by any of the Parties hereto.
6. For the purposes of this Agreement, there is no prevailing party.
